The **CBIS Summit 2026** is India's premier regional platform for the **architecture, design and construction sectors**. It serves as a vital bridge connecting industry partners directly with key decision-makers who are driving urban growth, infrastructure development and design excellence across the nation. The core value of the **CBIS Summit** lies in its highly impactful thought leadership program in a B2B format, which converts brand presence into strategic partnerships by directly connecting Brands with key industry decision-makers in a highly evolving market.

The **CBIS Summit & Awards 2026** represents the highest recognition for outstanding individuals and brands in the **Architecture and Design sector**. It celebrates those who have gone above and beyond in setting new standards in the industry.

The prestigious event offers a valuable opportunity to elevate business and spotlight the remarkable contributions of exceptional professionals and visionary brands that have demonstrated excellence, innovation and leadership. This recognition reinforces your brand's credibility, strengthens your competitive edge and amplifies your reputation among industry leaders and peers.

AUDIENCE COMPOSITION
